This is the date that the first installment is due and the total due for the first installment only.

Please remove and send the appropriate coupon with your payment. The number "1" and "2" indicate which installment the coupon is for. If you wish to pay both installments on or before the first due date, return both section "1" and section "2" with your payment. You can write one check for the total of both installments if you are paying both at the same time.

If Postmarked After: If you are paying after one of these dates, you will need to pay the amount listed under "Please Pay" associated with that date. This amount includes the 1.5% penalty.
